

CLEAN VERSION OF CLAIMS

A3 1. A stretchable gaming table cloth comprising a fabric having a predetermined shape and size, the fabric having a border portion, said border portion extending continuously around the circumference of said cloth and a fastening member secured to one surface of said cloth border portion around the circumference thereof.

A4 4. The gaming cloth of claim 1 wherein said fastening member comprises a Velcro fastening system.

Sub B7 8. A gaming table system comprising:  
a gaming table cloth comprising a fabric of a predetermined size and shape, the fabric having a border portion and a first fastening member secured to one surface of said cloth border portion; and

A5 a gaming table comprising a surface portion, a portion extending substantially perpendicular from said table surface and around the circumference thereof, and a second fastening member secured around the circumference of said perpendicularly extending table portion, said gaming table cloth being positioned on the surface of said table whereby said first fastening member is releasably secured to said second fastening member.

9. The system of claim 8 wherein said first fastening member comprises a first component of a Velcro hook and loop fastener system.

10. The system of claim 9 wherein said second fastening member comprises the second component of said Velcro hook and loop fastener system.

11. The system of claim 9 wherein said second fastening member comprises a metal strip having hook members protruding therefrom and said first fastening member comprises said loop component of said Velcro hook and loop fastener system.
